

ORIENTATION '19/20

Dear Husky,

We hope you are looking forward to another great year at Centennial High School! Make sure to start the year off right by attending summer orientation, supplying you with your school ID, schedule, textbooks, and for some eligible seniors, and possibly juniors, your parking permit, and an off campus lunch pass. **Please look at the important information included in this orientation packet regarding all these items plus many more, including updated prices and policies.**

Regarding off campus passes, all students were informed several times at the end of this school year if they did not clear their obligations by May 15, 2019, they would not be eligible to receive an off campus pass for the first semester of the 2019/2020 school year. All students who have cleared their obligations by May 15th, have no F's the previous semester, and their parents have appeared in person at school to sign their off campus permission forms will be eligible to purchase their off campus pass during summer orientation. Parents may visit the front office during summer break from 8:00 AM – 11:00 AM to sign off campus permission forms. Please note that off campus passes take up to three weeks to process. Students will receive their passes no later than Tuesday, September 3rd.

As you will notice, the dates and times listed to the right are arranged for your benefit! Students will only be admitted according to this alphabetical and grade schedule in order to ensure a quick and easy summer orientation. Make sure to clear your schedule for orientation ahead of time to avoid a hectic first day of school. Grades 9 through 11 will also have their yearbook photo taken and may purchase school pictures at this time. Please look your best and remember to follow dress code (no strapless shirts).

If for some reason you are unable to attend during your scheduled orientation time, you are welcome to attend make-up orientation starting in the Media Center on Thursday, August 8th from 8 AM – 11 AM.

We hope you have a great break and look forward to assisting you during summer orientation!

Sincerely,

Dr. Barile, Principal
