Bids received after the deadline will not be considered and will be returned unopened. Bids shall be electronically un-sealed and publicly read aloud at the above stated date, time and place.

MANDATORY PRE-BID CONFERENCE/JOB WALK: A **mandatory** pre-bid conference/job walk will be held on Tuesday, February 13, 2024, at 9:00 AM, at the Cesar Chavez Academy located at 1150 Paseo Grande, Corona, CA, 92882, for the purposes of discussing the bid documents and answering any questions generated by those in attendance. **All attendees must check-in at the front office, providing a valid, government issued driver's license or other photo I.D., to obtain a guest badge prior to attending the conference. Attendees will sign an attendance list to be provided.**

Each bid must conform and be responsive to all pertinent bidding and Contract Documents. Copies are on file and open for public inspection at the DISTRICT OFFICE and on the DISTRICT Website.

No Contractor or Subcontractor may be listed on the Bid Form or Designation of Subcontractors Form for the Project unless registered with the Department of Industrial Relations ("DIR") pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)]. No Contractor or Subcontractor may be awarded a contract for the Project unless registered with DIR pursuant to Labor Code section 1725.5. This Project is subject to compliance monitoring and enforcement by the DIR.

Bids shall be received in the electronic format identified above, and shall be **electronically** opened and publicly read aloud at the above-stated time and place.

Consistent with Public Contract Code section 20103.8 and Section 21 of the Information for Bidders form relating to the use of alternate bids, the lowest responsible Bidder for the Project shall be determined using the method indicated by a check mark in the box below associated with the statement. Please note that this method is used to calculate the bids and does not address issues of responsiveness or responsibility:

- The lowest bid shall be the lowest bid price on the base bid without consideration of the prices on the additive or deductive items.
- The lowest bid shall be the lowest total bid prices on the base bid and the following additive and/or deductive items: _____

- The lowest bid shall be the lowest total of the bid prices on the base bid and the following additive and/or deductive items taken in the following order: _____

The aforementioned additive and/or deductive items have been prioritized and will be selected based upon whether said additive and/or deductive items when added to or subtracted from the base bid, are less than, or equal to, the funding amount publicly disclosed by DISTRICT before the first bid is opened.

- The lowest bid shall be determined on the base bid, or on the base bid and any alternate or combination of alternates in the following manner which shall prevent any information that would identify any of the Bidders or proposed Subcontractors from being revealed to a participant in the decision-making process for DISTRICT before the ranking of all Bidders from lowest to highest has been determined:

As each bid is received for the Project, a designated employee of DISTRICT who will not be involved or participate in the decision making process, shall place an assigned number on the front top right corner of the bid envelope and inform Bidder of his/her assigned number. As bids are opened, the assigned number will be written by the designated employee at the top right hand corner of the page(s) of the Bid Form that contain the bid amounts. Bids shall be read aloud by assigned number, without reference to the name of the Bidders. The designated employee shall then either (a) prepare a separate tabulation of each bid, to include only the assigned number and amounts of the base bid and all alternate bids, or (b) photocopy the page(s) of each Bid Form containing the base bid and alternate bid amounts, which page(s) shall not contain the name of Bidder. The designated employee will then replace each original Bid Form back into the bid envelope. The complete Bid Forms shall remain in the custody of the designated employee until DISTRICT determines the low apparent Bidder based upon each Bidder's base bid and alternate bid amounts. All bid protests received prior to notification of the low apparent Bidder will be required to be in writing and delivered to the attention of the designated employee who shall retain the bid protests until the low apparent Bidder has been determined. Upon the selection of the low apparent Bidder, such determination shall be reduced to writing and retained by DISTRICT, and the designated employee shall thereafter deliver the bid envelopes containing the original Bid Forms, and any bid protests received, to the Superintendent or his/her designee. After the assigned numbers have been matched with the names of the Bidders and the Bid Forms and any bid protests have been reviewed, Bidders who submitted bids shall be notified of the low apparent Bidder either by telephone, fax or mail. Any bid protests submitted after the low apparent Bidder has been announced must be directed to the attention of the Superintendent.

When no box is marked, the default value of the bid award shall be the lowest bid price on the base bid only, without consideration of the prices on the additive or deductive items.

Once the lowest responsible Bidder has been selected, DISTRICT may determine to add to or deduct from the Contract any of the additive or deductive items.

In accordance with the provisions of California Public Contract Code section 3300, DISTRICT requires that Bidder possess the following classification(s) of contractor's license at the time that the

Contract is awarded: **Class B - General Contractor** CONTRACTOR's California State License number shall be clearly stated on the Bid Form. No payment shall be made for Work or material under the Contract unless and until the Registrar of Contractors verifies to DISTRICT that CONTRACTOR was properly licensed at the time the Contract was awarded and CONTRACTOR continues to be so licensed throughout the term of the Contract. Any CONTRACTOR not so licensed is subject to penalties under the law. If the license classification specified hereinabove is that of a "specialty contractor" as defined in Section 7058 of the California Business and Professions Code, the specialty contractor awarded the Contract for this Work shall itself construct a majority of the Work, in accordance with the provisions of California Business and Professions Code section 7059. Subcontractors must possess the appropriate licenses for each specialty subcontracted at the time the bid is submitted and at the time the Contract is awarded. Failure to satisfy this requirement shall disqualify Bidder. The successful Bidder and its Subcontractors must have the required valid licenses at the time the bid is submitted and must maintain the licenses throughout the duration of the Contract and warranty period.

All work must be completed within the project duration schedule and the number of days in said schedule will be determined after the award of contract. A Notice to Proceed shall not be issued prior to five (5) Days after award of the Contract, and shall not require that Work be commenced less than forty-eight (48) hours from the date of said Notice. Time is of the essence. Failure to complete the Work within the time set forth herein will result in the imposition of liquidated damages for each Day of delay, in the amount set forth in the Information for Bidders.

Each Bidder agrees that, if its bid is accepted, it shall perform at least 15% of the Work, exclusive of supervisory and clerical work, without the services of any Subcontractor. Bidder shall designate in its bid those portions of the Contract Bidder intends to perform without the services of any Subcontractor, which satisfies the aforementioned 15% requirement.

Each Bidder shall submit, on the form furnished with the Contract Documents, a list of the proposed Subcontractors on this Project as required by the Subletting and Subcontracting Fair Practices Act at Public Contract Code section 4100 et seq.

Contractors bidding this Project shall also require, pursuant to Public Contract Code section 4108, all Subcontractors providing labor and materials in excess of Fifty Thousand Dollars (\$50,000) to supply an original signature on a fully executed 100% Faithful Performance Bond and 100% Payment Bond. All such Subcontractor bonds shall be delivered by CONTRACTOR to DISTRICT through ARCHITECT within ten (10) calendar days following CONTRACTOR's receipt of notification of the award of the Contract for the Project and before any Work is performed by any Subcontractor on the Project. The failure by or refusal of a Subcontractor to comply with this requirement may result in that Subcontractor's substitution consistent with Public Contract Code sections 4108(b) and 4107(a)(4). All contractors bidding on the Project must specify this requirement for Subcontractor bonds in their written or published request for Subcontractor bids. Failure of a CONTRACTOR to comply with this requirement may result in CONTRACTOR's bid being deemed non-responsive and the forfeiture to DISTRICT of CONTRACTOR's bid security. The practice of issuing separate purchase orders and/or subcontracts for the purpose of circumventing the Subcontractor bonding requirement shall not serve to exempt CONTRACTOR from these requirements.

If the box to the left is marked, DISTRICT, pursuant to Public Contract Code section 7201(b)(4) and (5), has at a properly noticed and normally scheduled

public hearing, determined that the Project is substantially complex and therefore requires, consistent with Article 59, paragraphs (a) and (o) of the Project General Conditions, that ten percent (10%) in retention proceeds be withheld from any payment by DISTRICT to CONTRACTOR. The finding that the Project is substantially complex and constitutes a unique project not regularly, customarily, or routinely performed by DISTRICT or licensed contractors is because:

Each Bidder is encouraged to and is expected to exercise due diligence to comply with the provisions of California Public Contract Code section 10115 et seq., California Military and Veterans Code section 999 et seq., and California Code of Regulations, Title 2, section 1896.60 et seq., which require all applicable contracts to satisfy state wide participation goals of not less than three percent (3%) for disabled veteran business enterprises (“DVBE”). In accordance with Education Code sections 17076.11, 100615, 100815, 101011 and 101121, DISTRICT has a participation goal for DVBEs of at least three percent (3%) per year of the overall dollar amount of funds allocated to DISTRICT by the State Allocation Board pursuant to the Leroy F. Greene School Facilities Act of 1998, the Kindergarten-University Education Facilities Bond Act of 2002, 2004 and 2006 and the Kindergarten Through Community College Public Education Bond Act of 2016 for construction and modernization and expended each year by DISTRICT.

“Disabled Veteran Business Enterprise contractor, subcontractor, or supplier” means any person or entity that has been certified by the Department of General Services Office of Small Business and Disabled Veteran Business Enterprise Services and that performs a “commercially useful function,” in providing services or goods that contribute to the fulfillment of the Contract requirements.

1. A person or an entity is deemed to perform a “commercially useful function” if a person or entity does all of the following:

- (a) Is responsible for the execution of a distinct element of the Work of the Contract.
- (b) Carries out the obligation by actually performing, managing, or supervising the Work involved.
- (c) Performs work that is normal for its business services and functions.
- (d) Is responsible, with respect to products, inventories, materials, and supplies required for the contract, for negotiating price, determining quality and quantity, ordering, installing, if applicable, and making payment.
- (e) Is not further subcontracting a portion of the work that is greater than that expected to be subcontracted by normal industry practices.

2. A contractor, subcontractor, or supplier will not be considered to perform a commercially useful function if the contractor’s, subcontractor’s, or supplier’s role is limited to that of an extra participant in a transaction, contract, or project through which funds are passed in order to obtain the appearance of disabled veteran business enterprise participation.

“Disabled veteran” means a veteran of the military, naval, or air service of the United States, including, but not limited to, the Philippine Commonwealth Army, the Regular Scouts (“Old Scouts”), and the Special Philippine Scouts (“New Scouts”), who has at least a 10 percent service-connected disability and who is domiciled in the State of California.

“Disabled veteran business enterprise” means a business certified by the Department of General Services’ Office of Small Business and Disabled Veteran Business Enterprise Services as meeting all of the following requirements:

1. It is a sole proprietorship at least 51 percent owned by one or more disabled veterans or, in the case of a publicly owned business, at least 51 percent of its stock is unconditionally owned by one or more disabled veterans; a subsidiary that is wholly owned by a parent corporation, but only if at least 51 percent of the voting stock of the parent corporation is unconditionally owned by one or more disabled veterans; or a joint venture in which at least 51 percent of the joint venture’s management and control and earnings are held by one or more disabled veterans.

2. The management and control of the daily business operations are by one or more disabled veterans. The disabled veterans who exercise management and control are not required to be the same disabled veterans as the owners of the business.

3. It is a sole proprietorship, corporation, or partnership with its home office located in the United States, which is not a branch or subsidiary of a foreign corporation, foreign firm, or other foreign-based business.

Pursuant to Public Contract Code section 10115.9, a limited liability company may be certified as a disabled veteran business enterprise if the limited liability company is wholly owned by one or more disabled veterans.

Bidders shall be required to submit to DISTRICT with the Bid Form the completed and executed DVBE Participation Goal Compliance form. The successful Bidder shall also be required to submit to DISTRICT, within (a) five (5) calendar days following the date in which bids for the Project are received, opened and the apparent low Bidder declared, or (b) two (2) calendar days prior to the scheduled award of the Project, whichever is sooner, the appropriate documentation using the DVBE Compliance Forms included as part of the Contract Documents for the Project, including, but not limited to, proof of publication if satisfying the good faith effort requirement (unless goal is met), and identifying the amount to be paid to DVBEs in conjunction with the Agreement, so that DISTRICT can assess its success in meeting the three percent (3%) goal.

If the DVBE Compliance Forms specify that CONTRACTOR will meet DISTRICT’s DVBE participation goal for the Project, prior to, and as a condition precedent for final payment under the Agreement for the Project, CONTRACTOR shall certify to DISTRICT, using the certification form included with the DVBE Compliance Forms, (1) the total amount CONTRACTOR received under the Contract, (2) the name and address of the DVBE that participated in the performance of the Contract, (3) the amount each DVBE received from CONTRACTOR, and (4) that all payments under the Contract have been made to the DVBE.

All submittals will be collected **electronically** by DISTRICT, stamped with date and time, and will remain unopened until the time of the Bid Opening.

Each Formal Bid shall be accompanied by an **original copy** of either the certified or cashier's check, or bid bond executed by an admitted surety insurer, as defined in California Code of Civil Procedure section 995.120, in an amount not less than ten percent (10%) of the total bid price, payable to DISTRICT as a guarantee that Bidder, if its proposal is accepted, shall promptly execute the Agreement, furnish a satisfactory Performance Bond in an amount not less than one hundred percent (100%) of the total bid price, furnish a Payment Bond in an amount not less than one hundred percent (100%) of the total bid price, and furnish certificates evidencing that the required insurance is in effect in the amounts set forth in the General Conditions. In the event the successful Bidder fails to enter into the Contract and execute the required documents, such bid security will be forfeited. The Performance Bond shall remain in full force and effect through the guarantee period as specified in the General Conditions. **The bid security shall be submitted to the DISTRICT in a sealed envelope no later than the scheduled bid due date and time.**

Each Bid shall be accompanied by a statement of Bidder's experience in the form of the Information Required of Bidder form set forth in the Contract Documents.

DISTRICT reserves the right to extend the bid closing date or to waive any irregularities or informalities in any bids or in the bidding. DISTRICT also reserves the right to reject any or all bids, if DISTRICT, prior to rejecting all bids and declaring that the Project can be more economically performed by its own employees, furnishes a written notice to an apparent low bidder. (Public Contract Code section 22038(a).) If a contract is awarded, it shall be awarded to the lowest responsible bidder. If two (2) or more identical low bids are received from responsible Bidders, DISTRICT may accept the one it chooses. (Public Contract Code section 22038(b).)

No specifications for bids in connection with the letting of contracts for the construction, alteration, or repair of public works shall be drafted (1) in a manner that limits the bidding, directly or indirectly, to any one specific concern, or (2) calling for a designated material, product, thing, or service by specific brand or trade name unless the specification is followed by the words "or equal" so that Bidders may furnish any equal material, product, thing, or service. In applying this section, DISTRICT shall, if aware of an equal product manufactured in California, name such product in the specification. **Bidder proposed substitutions** must be submitted to DISTRICT by **no later than 1:00 PM on Friday, February 16, 2024.** DISTRICT shall evaluate the proposed substitution and inform bidder of the outcome before the bid submission deadline. Any substitutions related to any equipment or materials must include specifications equal to the DISTRICT's specified products and, if requested to do so, a sample of the item(s) proposed at no cost or obligation to DISTRICT for the purpose of testing and evaluation.

Pursuant to Public Contract Code section 3400(c), in the event DISTRICT makes a finding below that a particular material, product, thing, or service is designated by a specific brand or trade name in order to (a) match other products in use on a particular public improvement either completed or in the course of completion, or (b) obtain a necessary item that is only available from one source, DISTRICT shall not be required to comply with the provisions of the preceding paragraph.

As required by Sections 1770, 1771, and 1773 of the California Labor Code, the Director of the Department of Industrial Relations has determined the general prevailing rates of wages in the locality in which the Work is to be performed. Copies of these wage rate determinations, entitled PREVAILING WAGE SCALE, are maintained at DISTRICT's office and are available to any

interested party upon request. They are also available from the Director of the Department of Industrial Relations at <http://www.dir.ca.gov/oprl>. CONTRACTOR shall post a copy of such document at each job site. CONTRACTOR and any Subcontractor under it shall pay not less than the specified prevailing rates of wages to all Workers employed in the execution of the Contract. Electronic certified payroll records will be required to be submitted to the California Labor Commissioner at least monthly, pursuant to California Labor Code section 1771.4(a)(3)(A). In addition, pursuant to California Labor Code section 1776(b)(2), a certified copy of all payroll records shall be made available for inspection or furnished upon request to the Division of Labor Standards Enforcement of the Department of Industrial Relations. The Department of Industrial Relations shall undertake those activities it deems necessary to monitor and enforce compliance with prevailing wage requirements.

Each Bidder agrees that if its bid is accepted, it shall comply with all prevailing wage laws, regulations, and requirements regarding the enforcement of the payment of such prevailing wages by the Public Works Unit of the Division of Labor Standards Enforcement of the Department of Industrial Relations, notwithstanding California Code of Regulations, Title 8, Section 16460. In bidding on this Project, it shall be Bidder's sole responsibility to evaluate and include in its Bid the cost of complying with all applicable labor compliance requirements. The Labor Commissioner shall review the payroll records to verify compliance with the prevailing wage requirements and shall conduct audits as it deems necessary. If the payroll records are delinquent or inadequate, DISTRICT shall withhold Contract payments as directed by the Labor Commissioner. Additionally, if, after an investigation, it is established that an underpayment occurred, DISTRICT shall withhold Contract payments equal to the amount of underpayment and applicable penalties, as directed by the Labor Commissioner.

No Bidder may withdraw its bid for a period of either (a) ninety (90) Days after the date set for the opening of bids, or (b) sixty (60) Days after the date of the award, whichever date shall occur first. In the event DISTRICT should request an extension of the above-stated deadline, such extension shall also include the extension of the duration of the bid security.

A Payment Bond and a Performance Bond shall be required prior to execution of the Contract and shall be in the form set forth in the Contract Documents.

Pursuant to Section 22300 of the Public Contract Code, the successful Bidder is permitted to substitute securities for any moneys withheld by DISTRICT to ensure performance under the Contract. At the request and expense of CONTRACTOR, securities equivalent to the amount withheld shall be deposited with DISTRICT, or with a state or federally chartered bank as the Escrow Agent, who shall then pay such moneys to CONTRACTOR. Upon satisfactory completion of the Contract, the securities shall be returned to CONTRACTOR. Alternatively, the successful Bidder may request and DISTRICT shall make payment of retention earned directly to the Escrow Agent at the expense of the successful Bidder.

Each bid submitted in response to this Notice shall contain, as a bid item, adequate sheeting, shoring, and bracing, or equivalent method, for the protection of life and limb in trenches and open excavation, which shall conform to applicable Safety Orders.

Consistent with the requirements of the federal Clean Water Act, the Project is subject to storm water pollution prevention requirements, which may include the implementation of a Storm Water Pollution Prevention Plan and/or implementation of local Storm Water Requirements, which prohibit the discharge of pollutants from the Project site. Bidders will be required to submit, with their bid, the

Storm Water Pollution Prevention Certification included with the bid package, which must be signed by Bidder under penalty of perjury and notarized.

2. Modifications

Changes in or additions to the Bid Form, recapitulations of the Work bid upon, alternative proposals, or any other modification of the Bid Form which is not specifically called for in the Contract Documents may result in DISTRICT’s rejection of the bid as not being responsive to the invitation to bid. No oral or telephonic modification of any bid submitted will be considered.

3. Erasures, Inconsistent or Illegible Bids

The bid submitted must not contain any erasures, interlineations, or other corrections unless each such correction creates no inconsistency and is suitably authenticated by affixing in the margin immediately opposite the correction the signature or signatures of the person or persons signing the bid. DISTRICT shall not be liable for any loss sustained by CONTRACTOR resulting from any variance between the conditions and design data given in the Contract Documents and the actual conditions revealed during Bidder's examination or during the progress of the Work. The failure or omission of any Bidder to receive or examine any Contract document, form, instrument, addendum, or other document or to visit the site and become acquainted with conditions there existing shall in no way relieve any Bidder from any obligation with respect to his bid or to the Contract. **The submission of a bid shall be incontrovertible evidence that Bidder has complied with all the requirements of this provision of the Information for Bidders.** Bidders shall not at any time after submission of the bid, dispute, complain, or assert that there were any misunderstandings with regard to the nature or amount of Work to be done.

DISTRICT will notify Bidder whether the requested substitution has been approved as an "equal or equivalent" to the specified equipment or material. If not consumed or destroyed in such testing, the sample will be returned to the bidder after award of bid is made. If an a substitute has been indicated but rejected by the DISTRICT as not being an "equal," Bidder agrees that by submitting its bid, Bidder shall provide the specified equipment or material. Unless an alternate make and model is indicated in the space provided, it is agree all items proposed are as named in the specifications. 2. Agreements and Bonds

The Agreement form which the successful Bidder, as CONTRACTOR, will be required to execute, and the form of the payment bond which such CONTRACTOR will be required to furnish in accordance with Civil Code section 9550 prior to execution of the Agreement, are included in the Contract Documents and should be carefully examined by Bidder. 1. Failure to Provide Evidence of Insurance, Post Security, or Execute Contract

In the event the bidder to whom the Notice of Intent to Award a Contract is given, fails or refuses to provide the certificates of insurance, required bonds, or return properly executed copies of the contract within ten (10) calendar days from the date of receiving said notice, DISTRICT may declare the bidder's bid deposit or bond forfeited as damages caused by the failure of the bidder to enter into the contract, and may award the bid to the next lowest responsive and responsible bidder, or may call for new bids.

2. Insurance

The successful bidder shall, upon receipt of the Notice of Intent to Award a Contract and within ten (10) calendar days, provide DISTRICT with insurance endorsements evidencing insurance coverage and further indicating that the successful bidder's policies have been endorsed to name the "CORONA-NORCO UNIFIED SCHOOL DISTRICT" as an additional insured. Bidder submitting the request shall be responsible for its prompt delivery. In case of disagreement or conflict between or within standards, Specifications, and Drawings, the more stringent, higher quality and greater quantity of work shall be included in the bid. Any interpretation or correction of the Contract Documents will be made solely at DISTRICT's discretion and only by written addendum duly issued by ARCHITECT and approved by DISTRICT, and a copy of such addendum will be posted on the DISTRICT's website, e-mailed to each Bidder known to have received a set of the Contract Documents. No person is authorized to make any oral interpretation of any provision in the Contract Documents, nor shall any oral interpretation be binding on DISTRICT. Requests for clarification or explanation should be submitted to ARCHITECT no later than the seventh calendar day preceding the date set for submission of bids. If discrepancies on Drawings, or in

Specifications, or conflicts between Drawings and Specifications are not covered by addenda, Bidder shall include in the bid the method of construction and materials resulting in the higher bid. Bidder shall become familiar with the Plans, Specifications and Drawings. SUBMITTAL OF A BID WITHOUT CLARIFICATIONS SHALL BE INCONTROVERTIBLE EVIDENCE THAT BIDDER HAS DETERMINED THAT THE PLANS, SPECIFICATIONS AND DRAWINGS ARE SUFFICIENT FOR BIDDING AND COMPLETING THE JOB; THAT BIDDER IS CAPABLE OF READING, FOLLOWING AND COMPLETING THE JOB IN ACCORDANCE WITH THE PLANS, SPECIFICATIONS AND DRAWINGS; AND THAT THE PLANS, SPECIFICATIONS AND DRAWINGS FALL WITHIN AN ACCEPTABLE STANDARD FOR PLANS, SPECIFICATIONS AND DRAWINGS.

Addenda issued during time of bidding shall be included in bid and shall be made a part of the Contract. Bidder shall list in the Bid Form each addendum received.

a. Addenda issued during time of bidding shall be posted on the Bonfire E-Procurement Platform, available at <https://cnusdk12.bonfirehub.com/> and via the DISTRICT'S website by Wednesday, January 17, 2024 and shall be made a part of the Contract. Bidder shall list in the Bid Form each addendum posted in Bonfire, if any.

b. Addenda will be prepared and issued to Bidders at the option of ARCHITECT.

d. Bidders shall be responsible for confirming they are in receipt of all addenda.

e. Bidders having any questions on the Project Documents shall submit their questions via the Bonfire E-Procurement Platform, available at <https://cnusdk12.bonfirehub.com/> or to Jonathan Rico, Purchasing Supervisor, by email no later than 1:00 PM Friday, February 16, 2024 addressed to Jonathan.rico@cnusd.k12.ca.us.

2. Bidders Interested in More Than One Bid

No person, firm or corporation shall be allowed to make, or file, or be interested in more than one bid for the same work unless alternate bids are specifically called for. If alternate bids are not called for and if DISTRICT has reasonable grounds for believing that any Bidder is interested in more than one proposal for the Work, it will be cause for rejecting all proposals in which such Bidder is interested and Bidder will forfeit its bid security to DISTRICT. A person, firm, or corporation that has submitted a subproposal to a Bidder, or that has quoted prices of materials to a Bidder, is not thereby disqualified from submitting a proposal or quoting prices to other Bidders, but is then prohibited from making a prime proposal.

3. Evidence of Responsibility

The bidder shall provide the names of at least three (3) references for whom similar services were provided during the previous five (5) years and shall identify the dollar amount of that service(s), to be submitted with the bid, on the form included as part of these bid documents. Upon

the request of DISTRICT, a bidder whose bid is under consideration for award of a contract shall promptly submit satisfactory evidence showing the bidder's financial resources, service/trade experience, legal structure, organization chart, key management personnel, list of service employees in the journeyman, apprentice and labor levels, major equipment inventory, tax payer identification (if not already provided for in the bid form) and plant facilities available for the performance of the contract.

1. Award of Contract

DISTRICT reserves the right to extend the bid closing date or to waive any irregularities or informalities in any bids or in the bidding. DISTRICT also reserves the right to reject any or all bids, if DISTRICT, prior to rejecting all bids and declaring that the Project can be more economically performed by its own employees, furnishes a written notice to an apparent low Bidder. (Public Contract Code section 22038(a).) If a Contract is awarded, it shall be awarded to the lowest responsible Bidder. If two (2) or more identical low bids are received from responsible Bidders, DISTRICT may accept the one it chooses. (Public Contract Code section 22038(b).) The award of the Contract, if made by DISTRICT, will be by action of the governing board. In the event an award is made to a Bidder and such Bidder fails or refuses to execute the Agreement and provide the required documents within ten (10) calendar days after notification of the award of the Contract to Bidder, DISTRICT may award the Contract to the next lowest Bidder or release all Bidders. **Each bid must conform and be responsive to the Contract Documents.**

Note: No Contractor or Subcontractor may be awarded a contract for any portion of the Work unless registered with DIR pursuant to Labor Code section 1725.5.

DISTRICT RESERVES THE RIGHT TO VERIFY ALL CALCULATIONS SUBMITTED. IF THERE IS ANY DISCREPANCY BETWEEN THE COST LISTED AND DISTRICT'S CALCULATIONS, DISTRICT'S CALCULATIONS SHALL TAKE PRECEDENCE.

2. Alternates

If alternate bids are called for, the Notice to Contractors Calling for Formal Bids shall specify which one of the following methods will be used to determine the lowest bid:

a. The lowest bid shall be the lowest bid price on the base bid without consideration of the prices on the additive or deductive items;

b. The lowest bid shall be the lowest total bid prices on the base bid and those additive or deductive items that are specifically identified in the Notice to Contractors Calling for Formal Bids as being used for the purpose of determining the lowest bid price;

c. The lowest bid shall be the lowest total of the bid prices on the base bid and those additive or deductive items taken in order from the specifically identified list of those items, depending upon available funds, as identified in the Notice to Contractors Calling for Formal Bids and provided that said additive and/or deductive items when added to or subtracted from the base bid, are less than, or equal to, the funding amount publicly disclosed by DISTRICT before the first bid is opened; or

a. The lowest bid shall be determined in a manner that prevents any information that would identify any of the Bidders or proposed Subcontractors from being revealed to DISTRICT before the ranking of all Bidders from lowest to highest has been determined.

A responsible Bidder who has submitted the lowest bid as determined by this section shall be awarded the Contract, if it is awarded. This section does not preclude DISTRICT from adding to or deducting from the Contract any of the additive or deductive items after the lowest responsible Bidder has been determined.

3. Competency of Bidders

In selecting the lowest responsible Bidder, consideration will be given not only to the financial standing but also to the general competency of Bidder for the performance of the Work covered by the bid. Each Bidder agrees that, if its bid is accepted, it shall perform that portion of Work designated in its bid which shall constitute at least 15% of the Work, exclusive of supervisory and clerical work, without the services of any Subcontractor. By submitting a bid, each Bidder agrees that DISTRICT, in determining the successful Bidder and its eligibility for the award, may consider Bidder's experience and facilities, conduct and performance under other contracts, financial condition, reputation in the industry, and other factors which could affect Bidder's performance of the Work. Unless already prequalified by DISTRICT within one (1) year of submitting DISTRICT's prequalification documents, each bid shall be further supported by DISTRICT's prequalification questionnaire comprised of the Contractor's Statement of Experience and Financial Condition, Affidavit of Contractor and Certificate of Accountant. Pursuant to Public Contract Code section 20111.5, the information in the prequalification documents will be kept confidential, and ratings of individual firms will only be disclosed upon written request of that firm.

DISTRICT may also consider the qualifications and experience of Subcontractors and other persons and organizations (including those who are to furnish the principal items of material and equipment) proposed for those portions of Work. Operating costs, maintenance considerations, performance data and guarantees of materials and equipment may also be considered by DISTRICT. In this regard, DISTRICT may conduct such investigations as DISTRICT deems necessary to assist in the evaluation of any bid and to establish the responsibility, qualifications and financial ability of Bidder, proposed Subcontractors, and other persons and organizations to do the Work in accordance with the Contract Documents to DISTRICT's satisfaction within the prescribed time; and DISTRICT reserves the right to reject the bid of any Bidder who does not pass any such evaluation to the satisfaction of DISTRICT. No bid for the Work will be accepted from a contractor who is not licensed in accordance with applicable State law or from a contractor who lists subcontractors who are not licensed in accordance with applicable State law.

4. Listing Subcontractors

Each Bidder shall submit with the bid, on the form furnished with the Contract Documents, a list of the proposed Subcontractors who are registered with DIR, license numbers and locations of the places of business of each Subcontractor who will perform Work or labor or render service to Bidder in or about the Project or a Subcontractor who, under subcontract to Bidder, specially fabricates and installs a portion of the Work in an amount in excess of one-half (1/2) of one percent (1%) of Bidder's total bid, as required by the Subletting and Subcontracting Fair Practices Act

(Public Contract Code section 4100 et seq.). If alternate bids are called for and Bidder intends to use different or additional Subcontractors, a separate list of Subcontractors must be submitted for each such alternate. As provided by Public Contract Code section 6109, no Bidder shall list or otherwise permit a Subcontractor who is ineligible to bid or work on, or be awarded, a public works project pursuant to Section 1777.1 or 1777.7 of the Labor Code to bid on, be awarded, or perform work as a Subcontractor on the Project. If Bidder fails to specify a Subcontractor for any portion of the Work in excess of one half (1/2) of one percent (1%) of Bidder's total bid, Bidder agrees that he/she is fully qualified to perform that Work and agrees to perform that portion of the Work. Violation of this requirement (including the procurement of a Subcontractor for the Project if no Subcontractor is specified) can result in DISTRICT invoking the remedies of Public Contract Code sections 4110 and 4111.

Each Bidder bidding this Work shall require, pursuant to Public Contract Code section 4108, all Subcontractors providing labor and materials in excess of \$50,000 to supply an original signature and fully executed 100% Faithful Performance Bond and 100% Payment Bond. All such Subcontractor bonds shall be delivered by the successful Bidder to DISTRICT through ARCHITECT within ten (10) calendar days following the successful Bidder's receipt of notification of the award of the Contract for the Project. The failure by or refusal of a Subcontractor to comply with this requirement may result in that Subcontractor's substitution consistent with Public Contract Code sections 4108(b) and 4107(a)(4). Each Bidder bidding on the Project must specify this requirement for Subcontractor bonds in its written or published request for Subcontractor bids. Failure of a Bidder to comply with this requirement may result in Bidder's bid being deemed non-responsive and the forfeiture to DISTRICT of Bidder's bid security.

The practice of issuing separate purchase orders and/or Subcontractors for the purpose of circumventing the Subcontractor bonding requirement shall not serve to exempt CONTRACTOR from these requirements.

No payments, except for a reimbursement payment to the successful Bidder for the cost of the successful Bidder's own Faithful Performance Bond and Payment Bond, shall be made to the successful Bidder until the successful Bidder provides the aforementioned Subcontractor bonds to DISTRICT.

1. Workers' Compensation

In accordance with the provisions of Section 3700 of the Labor Code, the successful Bidder, as CONTRACTOR, shall secure the payment of compensation to all employees. CONTRACTOR shall sign and file with DISTRICT the following certificate when it submits the Agreement to DISTRICT: "I am aware of the provisions of Section 3700 of the Labor Code which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the Work of the Contract." The form of such certificate is included as a part of the Contract Documents.

1. Contractor's License

To perform the Work required by this notice, CONTRACTOR must be registered with DIR, possess a **Class B - General Contractor** Contractor's License, and CONTRACTOR must maintain the license throughout the duration of the Contract and the warranty period. If, at the time the bids are opened, Bidder is not registered with DIR and licensed to perform the Project in accordance with Division 3, Chapter 9 of the Business and Professions Code of the State of California and the Notice to Contractors Calling for Formal Bids, such bid will be rejected as non-responsive (Public Contract Code section 3300). Pursuant to Business and Professions Code section 7028.15, no payment shall be made for Work or materials under the Contract unless and until the Registrar of Contractors verifies to DISTRICT that Bidder was properly licensed at the time the bid was submitted. Any Bidder not so licensed is subject to penalties under the law and the Contract will be considered void and DISTRICT shall have the right to bring an action against the unlicensed Bidder awarded the Contract for recovery of all compensation paid under the Contract (Business and Professions Code section 7031(b)). If the license classification specified hereinafter is that of a "specialty contractor" as defined in Section 7058 of the Business and Professions Code, the specialty contractor awarded the Contract for his Work shall construct a majority of the Work, in accordance with the provisions of Business and Professions Code section 7059. Bidder may not use the contractor license of a third party for this bid. CONTRACTOR and its Subcontractors must have the required valid licenses at the time the bid is submitted and must maintain the licenses throughout the duration of the Contract and warranty period.

2. Inspection and Acceptance

All items provided under this bid and under the contract shall meet or exceed the bid specifications and shall comply with all Federal and California State laws governing their production, handling, processing, labeling, and distribution. Inspection and acceptance of all items shall be at DESTINATION. Items found to be defective or not in accordance with the bid specifications shall be replaced by the bidder, at no cost to DISTRICT. Failure to replace said items shall be considered sufficient cause for default action under the DEFAULT provisions of these instructions.

3. Quality Assurance

By random inspection, if it is determined by DISTRICT that the equipment/items are not in compliance with the specifications, the successful bidder shall replace, at no cost, any equipment/item that may be rejected.

4. Disabled Veteran Business Enterprises

Each Bidder must comply with the provisions of California Public Contract Code section 10115 et seq. and California Military and Veterans Code section 999 et seq. which require all applicable contracts to satisfy statewide participation goals of not less than three percent (3%) for disabled veteran business enterprises ("DVBE"). In accordance with Education Code sections 17070.41, 17076.11, 100615, 100815, and 101011, DISTRICT has a participation goal for DVBEs of at least three percent (3%) per year of the overall dollar amount of funds allocated to DISTRICT by the State Allocation Board ("SAB") and expended each year by DISTRICT pursuant to the Leroy F. Greene School Facilities Act of 1998, the Kindergarten-University Public Education Facilities Bond Act of 2002, 2004 and 2006, and Kindergarten Through Community College Public

Education Facilities Bond Act of 2016 for construction and modernization projects. Each Bidder is encouraged and is expected to exercise due diligence to meet the aforementioned three percent (3%) participation goal and requirements for DVBEs established by DISTRICT and the SAB, or make a good faith effort with respect thereto, in accordance with the provisions described in this section and the DVBE Compliance Forms which are included in the Contract Documents for the Project. Bidders may obtain additional information from the Department of General Services Office of Small Business and Disabled Veteran Business Enterprise Services (“SMBUS”) at <http://www.pd.dgs.ca.gov/smbus/default.htm> or (916) 375-4940. Please note that SMBUS is an information resource only, as the DVBE program they administer applies to state contracts but not school district contracts.

Bidders shall be required to submit to DISTRICT with the Bid Form the completed and executed DVBE Participation Goal Compliance form. The successful Bidder shall also be required to submit to DISTRICT, within (a) five (5) calendar days following the date in which bids for the Project are received, opened and the apparent low Bidder declared, or (b) two (2) calendar days prior to the scheduled award of the Project, whichever is sooner, the appropriate documentation using the DVBE Compliance Forms included as part of the Contract Documents for the Project, including, but not limited to, proof of publication if satisfying the good faith effort requirement (unless goal is met), and identifying the amount to be paid to DVBEs in conjunction with the Agreement, so that DISTRICT can assess its success in meeting the three percent (3%) goal.

If the DVBE Compliance Forms specify that CONTRACTOR will meet DISTRICT’s DVBE participation goal for the Project, prior to, and as a condition precedent for final payment under the Agreement for the Project, CONTRACTOR shall certify to DISTRICT, using the certification form included with the DVBE Compliance Forms, (1) the total amount CONTRACTOR received under the Contract, (2) the name and address of the DVBE that participated in the performance of the Contract, (3) the amount each DVBE received from CONTRACTOR, and (4) that all payments under the Contract have been made to the DVBE.

1. Anti-Discrimination

It is the policy of DISTRICT that in connection with all work performed under contracts, there be no discrimination against any prospective or active employee engaged in the Work because of race, color, ancestry, national origin, religious creed, sex, age, physical disability, mental disability, medical condition, or marital status. CONTRACTOR agrees to comply with applicable Federal and California laws including, but not limited to, the California Fair Employment and Housing Act, beginning with Government Code section 12900, and Labor Code section 1735. In addition, CONTRACTOR agrees to require like compliance by any Subcontractors employed on the Work by any such CONTRACTOR.

2. Small, Minority and/or Firms Owned, Operated and Controlled by Persons with Disabilities or Disabled Veterans

It is the DISTRICT’s desire that small business and firms which are at least fifty-one percent (51%) owned, operated and controlled by women, minorities, persons with disabilities, disabled veterans or firms with effective affirmative action programs shall have the maximum practicable opportunity to participate in the contract awarded to perform the services to be done.

1. Assurance of Compliance with Civil Rights Laws and Americans with Disabilities Act

The Bidder hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 U.S.C. Section 2000 (e)(17), to the end that no person shall, on the grounds of race, creed, color, sex, or national origin be excluded from participation in, be denied the benefits of, or be otherwise subject to discrimination under this Bid or under any project, program, or activity supported by this Bid. The Bidder agrees to comply with applicable Federal and California laws including, but not limited to, the California Fair Employment and Housing Act, beginning with Government Code Section 12900, and Labor Code Section 1735. In addition, the Bidder agrees to require like compliance by any subcontractors employed on the services by him. The Bidder hereby assures that it will comply with the Americans with Disabilities Act of 1990, 42 U.S.C. Sections 12101 et. seq. or as amended, to ensure that disabled individuals shall be reasonably accommodated in accordance with the Act, and the Bidder shall not exclude from participation in, or deny the benefit of, or otherwise subject a disabled individual to discrimination under this Contract, or under any project, program, or activity supported by this bid.

2. Anti-Kickback Act

In the performance of the contract, the Bidder and all subcontractors shall adhere to and comply with all provisions of the Copeland “Anti-Kickback” Act (18 U.S.C. 874) and as supplemented in the Department of Labor regulations (29 CFR Part 3).

3. Work Hours and Safety Standards Act

In the performance of any work order/job under the contract, Bidder shall adhere to and comply with all the provisions of Section 103 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-330) and as supplemented in the Department of Labor regulations (29 CFR Part 5).

4. California Public Records Act

All Documents received by DISTRICT, as a public agency, in connection with this bid are subject to the requirements of the California Public Records Act. Bidder shall identify any information contained in the bid that the bidder deems to be, and establishes as, confidential or proprietary and wishes to be withheld from disclosure to others. Note: A blanket statement that all contents of the bid response are confidential or proprietary cannot be honored by DISTRICT.

5. Hold Harmless

CONTRACTOR shall indemnify and hold harmless DISTRICT, ARCHITECT, and PROJECT INSPECTOR, their officers, agents, and employees from every claim or demand made, and every liability, loss, damage, or expense, of any nature whatsoever, which may be incurred by reason of:

a. 5. Prevailing Wages

This Project is subject to compliance monitoring and enforcement by the Department of Industrial Relations. As required by Sections 1770, 1771, and 1773 of the Labor Code, the Director of the Department of Industrial Relations has determined the general prevailing rates of wages in the locality in which the Work is to be performed. Copies of these wage rate determinations, entitled PREVAILING WAGE SCALE, are maintained at DISTRICT's office and are available to any interested party upon request. They are also available from the Director of the Department of Industrial Relations. CONTRACTOR shall post a copy of such document at each job site. CONTRACTOR shall also post at the job site a notice containing the following language:

This public works project is subject to compliance monitoring and investigative activities by the Public Works Unit of the Division of Labor Standards Enforcement, Department of Industrial Relations, State of California. This notice is intended to provide information to all workers employed in the execution of the contract for public work and to all contractors and other persons having access to the job site in order to enable the Public Works Unit to ensure compliance with and enforcement of prevailing wage laws on public works projects.

The prevailing wage laws require that all workers be paid at least the minimum hourly wage as determined by the Director of Industrial Relations for the specific classification (or type of work)

performed by workers on this public works project. These wages are listed on a separate job site posting of minimum prevailing rates required to be maintained by the public entity that awarded the public works contract. Complaints concerning nonpayment of the required minimum wage rates to workers on this public works project may be filed with the Public Works Unit at any office of the Division of Labor Standards Enforcement.

Local Office Telephone Number: (909) 383-4334

Complaints should be filed in writing immediately upon discovery of any violations of the prevailing wage laws. Complaints should contain details about the violations alleged (for example, wrong rate paid, not all hours paid, overtime rate not paid for hours worked in excess of 8 per day or 40 per week, etc.) as well as the name of the employer, the public entity that awarded the public works contract, and the location and name of the project.

For general information concerning the prevailing wage laws and how to file a complaint concerning any violation of these prevailing wage laws, you may contact any Division of Labor Standards Enforcement office. Complaint forms are also available at the Department of Industrial Relations website, at www.dir.ca.gov/dlse/DLSE-Forms.htm.

CONTRACTOR and any Subcontractor under it shall pay not less than the specified prevailing rates of wages to all Workers employed in the execution of the Contract. Electronic certified payroll records will be required to be submitted to the Labor Commissioner in accordance with Labor Code section 1771.4(a)(3). In addition, pursuant to Labor Code section 1776(b)(2), a certified copy of all payroll records shall be made available for inspection or furnished upon request to the Division of Labor Standards Enforcement (“DLSE”).

Each Bidder agrees that if its bid is accepted, it shall comply with all prevailing wage laws, regulations, and requirements regarding the enforcement of the payment of such prevailing wages by the Public Works Unit of the DLSE. The DIR shall undertake those activities it deems necessary to monitor and enforce compliance with prevailing wage requirements. The Labor Commissioner shall review the payroll records to verify compliance with the prevailing wage requirements and shall conduct audits as it deems necessary. If the payroll records due directly to the Labor Commissioner are delinquent or inadequate, DISTRICT shall withhold Contract payments as directed by the DLSE. DESIGNATION OF SUBCONTRACTORS

In compliance with the Subletting and Subcontracting Fair Practices Act (Chapter 4, commencing at section 4100, Division 2, Part 1 of the Public Contract Code of the State of California) and any amendments thereof (“Act”), each Bidder shall set forth below: (a) the name, the location of the place of business, the California contractor license number, and the public works contractor registration number of each Subcontractor who will perform work or labor or render service to CONTRACTOR in or about the construction of the Work or improvement to be performed under the Agreement, or a Subcontractor licensed by the State of California who, under subcontract to CONTRACTOR, specially fabricates and installs a portion of the Work or improvement according to detailed Drawings contained in the Plans and Specifications, in an amount in excess of one-half of one percent ($\frac{1}{2}$ %) of CONTRACTOR’s total bid; and (b) the designation of those Subcontractors who will be used by CONTRACTOR to fulfill the disabled veteran business enterprise (“DVBE”) participation goals; and (c) the portion of the Work that will be done by each Subcontractor under the Act. CONTRACTOR shall list only one licensed Subcontractor for each portion of the Work as defined by CONTRACTOR in the bid. The successful CONTRACTOR shall provide DISTRICT within 24 hours from the deadline established for the receipt of bids a complete list of all license numbers, classifications, and expiration dates for all Subcontractors named below.

No CONTRACTOR shall list a Subcontractor for any portion of the Work unless the Subcontractor is registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5.

If a CONTRACTOR fails to specify a Subcontractor or if a CONTRACTOR specifies more than one Subcontractor for the same portion of Work to be performed under the Agreement in excess of one-half of one percent ($\frac{1}{2}$ %) of CONTRACTOR’s total bid, CONTRACTOR shall be deemed to have agreed that it is fully qualified to perform that portion, and that said CONTRACTOR alone shall perform that portion.

No CONTRACTOR whose bid is accepted shall: (a) substitute any Subcontractor; (b) permit any Subcontractor to be voluntarily assigned or transferred or allow the Work to be performed by anyone other than the original Subcontractor listed in the original bid; or (c) sublet or subcontract any portion of the Work in excess of one-half of one percent ($\frac{1}{2}$ %) of CONTRACTOR’s total bid as to which the original bid did not designate a Subcontractor, except as authorized in the Subletting and Subcontracting Fair Practices Act. Subletting or subcontracting of any portion of the Work in excess of one-half of one percent ($\frac{1}{2}$ %) of CONTRACTOR’s total bid as to which no Subcontractor was designated in the original bid shall only be permitted in cases of public emergency or necessity, and then only after a finding reduced to writing as a public record of the authority awarding the Contract(s) setting forth the facts constituting the emergency or necessity.

A CONTRACTOR violating any of the provisions of Public Contract Code section 4100 et seq. shall be deemed to be in violation of the Agreement and DISTRICT may exercise, after

providing CONTRACTOR with the opportunity to a public hearing, the option, in its own discretion, of (1) canceling the Agreement; or (2) assessing CONTRACTOR a penalty in an amount of not more than ten percent (10%) of the amount of the subcontract involved.

CONTRACTORS bidding this work shall require, pursuant to Public Contract Code section 4108, all Subcontractors providing labor and materials in excess of \$50,000 to supply an original signature and fully executed 100% Faithful Performance and 100% Payment Bond. All such Subcontractor bonds shall be delivered by CONTRACTOR to DISTRICT through ARCHITECT within ten (10) calendar days following CONTRACTOR's receipt of notification of the award of the Contract(s) for the Project. The failure by or refusal of a Subcontractor to comply with this requirement may result in that Subcontractor's substitution consistent with Public Contract Code sections 4108(b) and 4107(a)(4). All CONTRACTORS bidding on the Project must specify this requirement for Subcontractor bonds in their written or published request for Subcontractor bids. Failure of a CONTRACTOR to comply with this requirement may result in CONTRACTOR's bid being deemed non-responsive and the forfeiture to DISTRICT of CONTRACTOR's bid security.

The practice of issuing separate purchase orders and/or Subcontractors for the purpose of circumventing the Subcontractor bonding requirement shall not serve to exempt CONTRACTOR from these requirements.

No payments, except for a reimbursement payment to CONTRACTOR for the cost of CONTRACTOR's own Faithful Performance and Payment Bonds, shall be made to CONTRACTOR until CONTRACTOR provides the aforementioned Subcontractor bonds to DISTRICT.

Note: If alternate bids are called for and Bidder intends to use a different or additional Subcontractor on the alternates, a separate list of Subcontractors must be provided for each such alternate.

Disabled Veteran Business Enterprise

Participation Goal Requirement

STATEMENT OF DVBE PARTICIPATION GOAL REQUIREMENT

- A. Education Code sections 17076.11, 100615, 100815, 101011 and 101121 require that the Corona-Norco Unified School District (“DISTRICT”) establish a participation goal for Disabled Veteran Business Enterprise (“DVBE”) of at least three percent (3%) per year of the overall dollar amount of funds allocated to DISTRICT by the State Allocation Board and expended by DISTRICT for construction and modernization projects.
- B. “Disabled veteran business enterprise contractor, subcontractor, or supplier” means any person or entity that has been certified by the Department of General Services’ Office of Small Business and Disabled Veteran Business Enterprise Services and that performs a “commercially useful function,” in providing services or goods that contribute to the fulfillment of the contract requirements.
1. A person or an entity is deemed to perform a “commercially useful function” if a person or entity does all of the following:
 - (a) Is responsible for the execution of a distinct element of the work of the contract.
 - (b) Carries out the obligation by actually performing, managing, or supervising the work involved.
 - (c) Performs work that is normal for its business services and functions.
 - (d) Is responsible, with respect to products, inventories, materials, and supplies required for the contract, for negotiating price, determining quality and quantity, ordering, installing, if applicable, and making payment.
 - (e) Is not further subcontracting a portion of the work that is greater than that expected to be subcontracted by normal industry practices.
 2. A contractor, subcontractor, or supplier will not be considered to perform a commercially useful function if the contractor’s, subcontractor’s, or supplier’s role is limited to that of an extra participant in a transaction, contract, or project through which funds are passed in order to obtain the appearance of disabled veteran business enterprise participation.
- C. “Disabled veteran” means a veteran of the military, naval, or air service of the United States, including, but not limited to, the Philippine Commonwealth Army,

the Regular Scouts, “Old Scouts,” and the Special Philippine Scouts, “New Scouts,” who has at least a 10-percent service-connected disability and who is domiciled in the State of California.

- A. “Disabled veteran business enterprise” means a business certified by the Department of General Services’ Office of Small Business and Disabled Veteran Business Enterprise Services as meeting all of the following requirements:
1. It is a sole proprietorship at least 51 percent owned by one or more disabled veterans or, in the case of a publicly owned business, at least 51 percent of its stock is unconditionally owned by one or more disabled veterans; a subsidiary that is wholly owned by a parent corporation, but only if at least 51 percent of the voting stock of the parent corporation is unconditionally owned by one or more disabled veterans; or a joint venture in which at least 51 percent of the joint venture’s management, control, and earnings are held by one or more disabled veterans.
 2. The management and control of the daily business operations are by one or more disabled veterans. The disabled veterans who exercise management and control are not required to be the same disabled veterans as the owners of the business.
 3. It is a sole proprietorship, corporation, or partnership with its home office located in the United States, which is not a branch or subsidiary of a foreign corporation, foreign firm, or other foreign-based business.
- B. Pursuant to Public Contract Code section 10115.9, a limited liability company may be certified as a disabled veteran business enterprise if the limited liability company is wholly owned by one or more disabled veterans.

SATISFACTION OF THE DVBE PARTICIPATION GOAL REQUIREMENT

Goal Attainment and/or “Good Faith Effort”

In order to satisfy and be responsive to the three percent (3%) participation goal, Bidder is encouraged and expected to exercise due diligence to either meet the DVBE Participation Goal or document a “Good Faith Effort” to meet that goal as follows:

DVBE Participation Goal Attainment

The three percent (3%) DVBE participation Goal is attained when:

- (a) Bidder is not a DVBE and is committed to use DVBEs for not less than three percent (3%) of the Contract dollar amount; or

- (a) Bidder is a DVBE and committed to performing not less than three percent (3%) of the Contract dollar amount with its own forces or in combination with those of other DVBEs.

Good Faith Effort

A “Good Faith Effort” to meet the DVBE goal is achieved by doing **all** of the following five items **prior** to the final bid due date. Each of these items should be satisfied for each contract bid. Bidder should:

- (a) Contact the Facilities Division to identify potential DVBEs for this bid. This telephone call will initiate the provision of information to Bidder;
- (b) Contact other state and federal government agencies and local DVBE organizations to identify potential DVBEs for the Contract;
- (c) Advertise in trade paper and papers focusing on DVBEs. Advertisement should appear in publications at least fourteen (14) calendar days prior to the bid issue date, unless time limits imposed by DISTRICT do not permit that advertising;
- (d) Send solicitation to potential DVBE subcontractors and suppliers for the Contract with sufficient lead time to fully entertain and consider responding bids. Sufficient lead time is at least fourteen (14) calendar days prior to the bid due date, unless time limits imposed by DISTRICT do not permit that lead time; and
- (e) Consider responding DVBEs for participation in the Contract.

DVBE PARTICIPATION GOAL DOCUMENTATION REQUIREMENTS

A. General

Bidder must document its effort to either meet the DVBE participation goal requirement or make a good faith effort to meet it.

Bidders who propose goal attainment are encouraged to submit documentation for making a “Good Faith Effort” also.

Bidder’s efforts to meet the Contract DVBE Participation Goal and/or make a “Good Faith Effort” to meet the goal must be sincere and the documentation must be sufficient to reasonably demonstrate that sincerity to DISTRICT. Final determination of DVBE Participation Goal attainment or a “Good Faith Effort” by Bidder shall be at DISTRICT’s sole discretion.

2. Summary of Disabled Veteran Owned Business Participation (Attachment 1)

Whether DVBE Participation Goal Attainment or the "Good Faith Effort" alternative is chosen, Attachment 1, Summary of Disabled Veteran Owned Business Participation, must be completed showing the type of work and company proposed for DVBE participation, their Subcontractors (if any), and other related information. If no participation is achieved, Bidder is to state "N/A" or "None" on the first line of the form. Complete the form providing the information as follows:

- (b) **Percentage of Contract** - compute the percentage (%) the claimed DVBE value is of the total Contract dollar amount.
- (c) **DVBE Certification** - Bidder must include one copy of the DVBE certification letter from the Office of Small Business Services and Certification Resources for each DVBE firm listed on the Summary of Disabled Veteran Owned Business Participation.

Bidder's Certification (Attachment 2)

A list of dates, times (if known), organizations contacted, and contact names and phone numbers must be provided to corroborate these contacts.

Time Frame for Submitting Documentation

The DVBE participation documentation must be submitted within (a) five (5) calendar days following the date in which bids for the Project are received, opened and the apparent low bidder(s) declared or (b) two (2) calendar days prior to the scheduled award of the Project whichever is sooner. Failure to timely submit full and accurate documentation may result in the rejection of the bid as being nonresponsive.

USE OF PROPOSED DVBE

If awarded the Contract, the successful Bidder must use the DVBE Subcontractors and/or suppliers proposed in its bid proposal unless it has required substitution and has received approval of DISTRICT in compliance with the Subletting and Subcontracting Fair Practices Act.

Failure to adhere to at least the DVBE participation proposed by the successful Bidder may be cause for Contract termination and recovery of damages under the rights and remedies due DISTRICT under the default section of the Contract.

2. Statement of Work

CONTRACTOR shall perform that work designated in CONTRACTOR's Bid Form which constitutes at least 15% of the total Work, exclusive of supervisory and clerical work, without the services of any Subcontractor. CONTRACTOR shall perform within the time set forth in Paragraph 4 of this Agreement everything required to be performed, and shall provide and furnish all the labor, materials, necessary tools, expendable equipment, and all utility and transportation services as described in the complete Contract and required for the Work described as the:

CHAVEZ ACADEMY OFFICE REMODEL

in accordance with Drawings and Specifications for the Project. All of said Work to be performed and materials to be furnished shall be completed in a good workmanlike manner in strict accordance with the Plans, Drawings, Specifications and provisions of the complete Contract. CONTRACTOR shall be liable to DISTRICT for any damages arising as a result of a failure to fully comply with this obligation, and CONTRACTOR shall not be excused with respect to any failure to so comply by any act or omission of ARCHITECT, Engineer, Inspector, Division of the State Architect, or representative of any of them, unless such act or omission actually prevents CONTRACTOR from fully complying with the requirements of the documents, and unless

CONTRACTOR protests at the time of such alleged prevention that the act or omission is preventing CONTRACTOR from fully complying with the Contract Documents. Such protest shall not be effective unless reduced to writing and filed with DISTRICT OFFICE within three (3) working days of the date of occurrence of the act or omission preventing CONTRACTOR from fully complying with the Contract Documents.

The Work required to be performed by this Agreement shall be subject to the payment of prevailing wages, as described in the Labor Code, by CONTRACTOR and each Subcontractor on the Project. The Work shall further be subject to the fulfillment of the requirements related to the payment of prevailing wages, including, but not limited to, the obligation to furnish electronic certified payroll records to the Labor Commissioner as required by the Labor Commissioner. Payments to CONTRACTOR shall not be made when payroll records due directly to the Labor Commissioner are delinquent or inadequate and the Labor Commissioner so directs. The prevailing rates of per diem wages and a description of employer payments are on file at DISTRICT's Administrative Office and are available to any interested party upon request. They are also available from the Director of the Department of Industrial Relations. CONTRACTOR shall post a copy of such wage rates at the job site. CONTRACTOR shall also post at the job site a notice containing the following language:

This public works project is subject to compliance monitoring and investigative activities by the Public Works Unit of the Division of Labor Standards Enforcement, Department of Industrial Relations, State of California. This notice is intended to provide information to all workers employed in the execution of the contract for public work and to all contractors and other persons having access to the job site to enable the Public Works Unit to ensure compliance with and enforcement of prevailing wage laws on public works projects.

The prevailing wage laws require that all workers be paid at least the minimum hourly wage as determined by the Director of Industrial Relations for the specific classification (or type of work) performed by workers on this public works project. These wages are listed on a separate job site posting of minimum prevailing rates required to be maintained by the public entity that awarded the public works contract. Complaints concerning nonpayment of the required minimum wage rates to workers on this public works project may be filed with the Public Works Unit at any office of the Division of Labor Standards Enforcement.

Local Office Telephone Number: (909) 383-4334

Complaints should be filed in writing immediately upon discovery of any violations of the prevailing wage laws. Complaints should contain details about the violations alleged (for example, wrong rate paid, not all hours paid, overtime rate not paid for hours worked in excess of 8 per day or 40 per week, etc.) as well as the name of the employer, the public entity that awarded the public works contract, and the location and name of the project.

For general information concerning the prevailing wage laws and how to file a complaint concerning any violation of these prevailing wage laws, you may contact any Division of Labor Standards Enforcement office. Complaint forms are also available at the Department of Industrial Relations website, at www.dir.ca.gov/dlse/DLSE-Forms.htm.

1. Compensation

DISTRICT shall pay to CONTRACTOR, as full consideration for the faithful performance of the Contract, subject to any additions or deductions as provided in the Contract Documents, the sum of _____ Dollars (\$ _____) said sum being the total amount stipulated in the proposal:

Payment shall be made as set forth in the General Conditions.

Should any Change Order result in an increase in the Contract Price, the cost of such Change Order shall be agreed to in advance by CONTRACTOR and DISTRICT, subject to the monetary limitations set forth in Public Contract Code section 20118.4. In the event that CONTRACTOR proceeds with a change in Work without an agreement between DISTRICT and CONTRACTOR regarding the cost of a Change Order, CONTRACTOR waives any claim of additional compensation for such additional Work.

2. Commencement of Work and Time for Completion

CONTRACTOR shall not start the Work until it has received DISTRICT's Notice to Proceed for the Project. CONTRACTOR shall commence the Work on _____, 20___. Commencement of Work shall include reasonable and evident efforts on the Project site.

Time for completion of the Project shall be on or before _____, 20__. The Starting Date shall be the date of DISTRICT's Notice to Proceed. Said Notice shall not be issued prior to five (5) Days after award of the Contract, and shall not require that Work be commenced less than forty-eight (48) hours from the date of said Notice. **DISTRICT and CONTRACTOR stipulate and agree that the amount of time for completion as specified in this paragraph is reasonable.**

3. Claims

As required by Article 60 of the General Conditions, if CONTRACTOR should claim that any instruction, request, drawing, specification, action, condition, omission, default, or other situation out of CONTRACTOR's control, obligates DISTRICT to pay additional compensation to CONTRACTOR or to grant an extension of time for the completion of the Contract, CONTRACTOR shall notify DISTRICT and ARCHITECT, in writing, of such claim in accordance with the procedure specified in Article 57 of the General Conditions. CONTRACTOR's failure to notify DISTRICT and ARCHITECT within the specified period shall be deemed a waiver and relinquishment of such a claim against DISTRICT. If such notice is given within the specified time, the procedure for its consideration shall be as stated in Article 60 of the General Conditions. CONTRACTOR hereby acknowledges that it understands this provision and that it will abide by it.

1. Liquidated Damages

Time is of the essence. IT IS AGREED BY CONTRACTOR AND DISTRICT THAT, IF THE PROJECT FAILS TO REACH SUBSTANTIAL COMPLETION WITHIN THE CONTRACT TIME PLUS ANY AUTHORIZED EXTENSION OF TIME HEREUNDER, THEN AS COMPENSATION TO DISTRICT FOR THE LOSS OF THE BENEFICIAL USE OF THE PROJECT DURING THE PERIOD OF THE DELAY, THERE SHALL BE ASSESSED AGAINST CONTRACTOR AS LIQUIDATED DAMAGES, BUT NOT AS A PENALTY, THE SUM OF FIVE HUNDRED DOLLARS (\$500.00) FOR EACH DAY THEREAFTER UNTIL THE DATE THAT PHYSICAL COMPLETION OF THE WORK AND THE PROJECT HAS REACHED COMPLETION. IT IS HEREBY AGREED BY CONTRACTOR AND DISTRICT THAT IT WOULD BE IMPRACTICABLE AND EXTREMELY DIFFICULT TO FIX THE ACTUAL DAMAGE TO DISTRICT SHOULD THE ENTIRE WORK AND PROJECT NOT BE COMPLETED WITHIN THE TIME PERIOD SPECIFIED ABOVE PLUS ANY AUTHORIZED EXTENSIONS OF TIME HEREUNDER AND DISTRICT BE DEPRIVED OF THE BENEFICIAL OCCUPANCY OF THE PROJECT AS A RESULT THEREOF. THE LIQUIDATED DAMAGES PROVIDED FOR IN THIS PARAGRAPH REPRESENT THE PARTIES' REASONABLE ESTIMATE OF THE ACTUAL DAMAGES THAT DISTRICT WILL INCUR IF ITS BENEFICIAL USE OF THE PROJECT IS DELAYED BEYOND THE EXPIRATION OF THE CONTRACT TIME. THE PAYMENT OF THE AMOUNTS DESCRIBED IN PARAGRAPH 6 AS LIQUIDATED DAMAGES IS NOT INTENDED AS A FORFEITURE OR PENALTY WITHIN THE MEANING OF CALIFORNIA CIVIL CODE SECTION 3275 OR 3369, BUT IS INTENDED TO CONSTITUTE LIQUIDATED DAMAGES TO DISTRICT PURSUANT TO CALIFORNIA CIVIL CODE SECTIONS 1671, 1676 AND 1677.

CONTRACTOR'S INITIALS: _____ DISTRICT'S INITIALS: _____

DISTRICT may deduct liquidated damages described in Paragraph 6 from any unpaid amounts then or thereafter due CONTRACTOR under this Agreement in accordance with Article 64 of the General Conditions. Any liquidated damages not so deducted from any unpaid amounts due CONTRACTOR shall be payable to DISTRICT at the demand of DISTRICT, together with interest thereon from the date of demand until paid at a rate equal to ten percent (10%) per annum.

1. Default

In the event the CONTRACTOR fails to perform in accordance with the terms and conditions of the formal bid or the contract, DISTRICT may terminate their orders, in whole or in part, in accordance with Section 8 Termination for Default provision of this agreement.

2. Termination for Default

The CORONA-NORCO UNIFIED SCHOOL DISTRICT may, by written notice of default to the CONTRACTOR, terminate the agreement in whole or in part if:

OR

B. The CONTRACTOR fails to perform any of the other provisions of the formal bid, agreement, or purchase order and does not cure such failure within a period of ten (10) days (or such longer period as DISTRICT may authorize in writing) after receipt of notice from DISTRICT specifying such failure.

In the event DISTRICT terminates the agreement, in whole or in part, DISTRICT may acquire services, similar to those so terminated from another source and the CONTRACTOR shall be liable for any excess costs of acquisitions of such similar supplies.

3. Termination for Program, Site Closure, Re-Organization or Reduction of Funds

In the event funds for DISTRICT programs are discontinued or funds are not allocated within the agency for the continuation of this agreement in whole or in part, DISTRICT may terminate the service(s) under this clause without penalty. In the event funds for DISTRICT programs are discontinued or funds are not allocated within the agency for the purchase of materials and/or services, DISTRICT does not guarantee that any or all items shown in this agreement will be purchased for the duration of the agreement period.

4. Force Majeure

In the event that performance on the part of any party hereto shall be delayed or suspended as a result of circumstances beyond the reasonable control and without the fault or negligence of said party, none of the parties shall incur any liability to the other parties as a result of such delay or suspension. Circumstances deemed to be beyond the control of the parties hereunder shall include, but not be limited to, acts of God or of the public enemy, insurrection, acts of the federal government or any unit of state or local government in sovereign capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes or delays in transportation, to the extent that

such circumstances are not caused by the party's willful or negligent acts or omissions, and to the extent that they are beyond the party's reasonable control.

1. Indemnification

CONTRACTOR agrees to and does hereby indemnify and hold harmless DISTRICT, ARCHITECT, PROJECT INSPECTOR, and their respective officers, agents, and employees from every claim or demand made, and every liability, loss, damage, or expense, of any nature whatsoever, which may be incurred by reason of:

(a) Liability for damages for (1) death or bodily injury to person; (2) injury to, loss or theft of property; or (3) any other loss, damage or expense arising under either (1) or (2) above, sustained by CONTRACTOR or any person, firm or corporation employed by CONTRACTOR upon or in connection with the Work called for in this Agreement, except for liability resulting from the sole negligence or willful misconduct of DISTRICT, ARCHITECT, PROJECT INSPECTOR, or their respective officers, employees, agents or independent contractors who are directly employed by DISTRICT, and except for liability resulting from the active negligence of DISTRICT, ARCHITECT, or PROJECT INSPECTOR.

(c) In the event CONTRACTOR is required to access DISTRICT's computer system or network in the performance of the Contract, CONTRACTOR shall provide 48-hours advance notification to DISTRICT. In the event such access infects DISTRICT's computer network, system, or device with a virus, Trojan Horse, worm, or any other computer programming routine that is intended to damage, detrimentally interfere with, surreptitiously intercept or expropriate any system data or personal information, CONTRACTOR agrees to indemnify DISTRICT and pay for any and all losses, damages and expenses incurred by DISTRICT to remedy any such infection.

(d) Liability for fines, penalties, or other monetary damages incurred by DISTRICT for CONTRACTOR's, or its Subcontractor's, failure to comply with applicable Storm Water Requirements as generally described in the Storm Water Pollution Prevention Certification executed by CONTRACTOR.

CONTRACTOR, at CONTRACTOR's own expense, cost, and risk, shall defend any and all actions, suits, or other proceedings that may be brought or instituted against DISTRICT, ARCHITECT, PROJECT INSPECTOR, or their respective officers, agents or employees, or any such claim, demand or liability, and shall pay or satisfy any judgment that may be rendered against

DISTRICT, ARCHITECT, PROJECT INSPECTOR, or their respective officers, agents or employees in any action, suit or other proceedings as a result thereof.

In accordance with Section 9201 of the Public Contract Code, DISTRICT shall timely notify CONTRACTOR of any third-party claim it receives relating to the Contract. CONTRACTOR shall promptly reimburse DISTRICT for the reasonable costs incurred in providing CONTRACTOR such notification.

AND WHEREAS, said Principal is required under the terms of said Contract to furnish a bond for the faithful performance and guaranty of said Contract.

NOW, THEREFORE, we the Principal and the undersigned Surety, an admitted Surety insurer pursuant to Code of Civil Procedure section 995.120 are held and firmly bound to the DISTRICT, in the sum of _____ Dollars (\$_____) (this amount being not less than one hundred percent (100%) of the total bid price of the Contract awarded by DISTRICT to Principal), lawful money of the United States of America, for payment of which sum well and truly to be made, we bind ourselves, our heirs, executors and administrators, successors or assigns, jointly and severally, firmly by these presents.

THE CONDITION OF THIS OBLIGATION IS SUCH THAT if the hereby bounded Principal, its heirs, executors, administrators, successors or assigns, shall in all things stand to and abide by and will and truly keep and perform all the undertakings, terms, covenants, conditions and agreements in the said Contract and any alteration thereof made as therein provided, including, but not limited to the provisions regarding contract duration and liquidated damages, all within the time and in the manner therein designated in all respects according to their true intent and meaning; and shall faithfully fulfill guarantees of all materials and workmanship; and indemnify, defend and save harmless DISTRICT, its officers and agents, as stipulated in said Contract, then this obligation shall become null and void; otherwise, it shall be and remain in full force and effect.

As a condition precedent to the satisfactory completion of the Contract, the above obligation shall hold good for a period of one (1) year after the acceptance of the Work by DISTRICT, during which time if Principal shall fail to make full, complete, and satisfactory repair and replacements and totally protect DISTRICT from loss or damage made evident during the period of one (1) year from the date of acceptance of the Work, and resulting from or caused by defective materials or faulty workmanship, the above obligation in penal sum thereof shall remain in full force and effect. However, anything in this paragraph to the contrary notwithstanding, the obligation of Surety hereunder shall continue so long as any obligation of Principal remains.

Whenever Principal shall be, and is declared by DISTRICT to be, in default under the Contract, DISTRICT having performed DISTRICT's obligations thereunder unless excused by

Principal's breach or default, the Surety shall promptly either remedy the default, or shall promptly:

1. Complete the Contract in accordance with its terms and conditions; or
2. Obtain a bid or bids for completing the Contract in accordance with its terms and conditions, and upon determination by Surety of the lowest responsible bidder, arrange for a contract between such bidder and DISTRICT, and make available as work progresses (even though there should be a default or succession of defaults under the contract or contracts of completion arranged under this Paragraph) sufficient funds to pay the cost of completion less the balance of the Contract Price, but not exceeding, including other costs and damages for which Surety may be liable hereunder, the amount set forth in the first executory Paragraph hereof. The term "balance of the contract price" as used in this Paragraph shall mean the total amount payable to Principal by DISTRICT under the Contract, and any modifications thereto, less the amount previously properly paid by DISTRICT to Principal.

Surety expressly agrees that DISTRICT may reject any contractor or subcontractor which may be proposed by Surety in fulfillment of its obligations in the event of default by the Principal.

Surety shall not utilize Principal in completing the contract nor shall Surety accept a bid from Principal for completion of the work if DISTRICT, when declaring Principal in default, notifies Surety of DISTRICT's objection to Principal's further participation in the completion of the Work.

No right of action shall accrue on this bond to or for the use of any person or corporation other than the DISTRICT named herein or the successors or assigns of the DISTRICT. Any suit under this bond must be instituted before the expiration of two (2) years from the date on which final payment under the Contract falls due or is made, whichever occurs later.

FURTHER, the said Surety, for value received, hereby stipulates and agrees that no change, extension of time, alteration or modification of the Contract Documents, as defined in the Agreement and General Conditions, or of the work to be performed thereunder, or the Specifications accompanying the same shall in any way affect its obligations on this bond; and it does hereby waive notice of any change, extension of time, alteration or modification of the Contract Documents, or of Work to be performed thereunder, or of the Specifications.

Principal and Surety agree that if DISTRICT is required to engage the services of an attorney in connection with enforcement of the bond, Principal and Surety shall pay DISTRICT's reasonable attorney's fees incurred, with or without suit, in addition to the above sum.

FURTHER, the said Surety hereby agrees that in the event suit is brought upon this bond by DISTRICT and judgment is recovered, the Surety shall pay all costs incurred by DISTRICT in such suit, including a reasonable attorney's fees to be fixed by the court.

Surety companies executing bonds must possess a certificate of authority from the California Insurance Commissioner authorizing them to write surety insurance defined in California Insurance Code section 105, and if the work or project is financed, in whole or in part, with federal, grant or loan funds, Surety's name must also appear on the Treasury Department's most current list (Circular 570 as amended).

LEAD BASED PAINT CERTIFICATION

This Lead Based Paint Certification form is part of the Contract made by and between the Corona-Norco Unified School District (hereinafter referred to as “DISTRICT”) and CHAVEZ ACADEMY OFFICE REMODEL____ (hereinafter referred to as “CONTRACTOR”) for the (hereinafter referred to as the “Project”).

In recent years, lead-based paint and other materials have come to the forefront of the regulatory process. Regulatory agencies such as the California Occupational Safety and Health Administration, Environmental Protection Agency, California Department of Health Services (“DHS”), California Department of Education (“CDE”), and the Consumer Product Safety Commission have all regulated, in some manner, lead-containing paint and lead products.

Because CONTRACTOR and its employees will be providing services for DISTRICT, and because CONTRACTOR’s work may disturb lead-containing building materials, **CONTRACTOR IS HEREBY NOTIFIED** of the potential presence of lead-containing materials located within certain buildings utilized by DISTRICT. Lead was used extensively in paint because it rendered the paint more durable. All school buildings built prior to 1993 are presumed to contain some lead-based paint until sampling proves otherwise.

Although the regulatory process is not yet complete, there are several regulations currently in place that affect school districts. The CDE mandates that school districts utilize DHS lead-certified personnel when a lead-based hazard is identified. Examples of lead-certified personnel include: project designers, inspectors and abatement workers. The California Education Code also prohibits the use of lead-containing paint, lead plumbing and solders, or other potential sources of lead contamination in the construction of any new school facility or in the modernization or renovation of any existing school facility.

FURTHERMORE, SINCE IT IS ASSUMED BY DISTRICT THAT ALL PAINTED SURFACES (INTERIOR AS WELL AS EXTERIOR) WITHIN THE DISTRICT CONTAIN SOME LEVEL OF LEAD, IT IS IMPERATIVE THAT THE CONTRACTOR, ITS WORKERS AND SUBCONTRACTORS FULLY AND ADEQUATELY COMPLY WITH ALL APPLICABLE LAWS, RULES AND REGULATIONS GOVERNING LEAD-BASED MATERIALS (INCLUDING TITLE 8, CALIFORNIA CODE OF REGULATIONS, SECTION 1532.1).

If failure to comply with these laws, rules and regulations results in a site or Worker contamination, CONTRACTOR will be held solely responsible for all costs involved in any required corrective actions, and shall defend, indemnify and hold DISTRICT harmless, pursuant to the indemnification provisions of the Contract, for all damages and other claims arising therefrom. If lead disturbance is anticipated in the Work, only persons with appropriate accreditation, registrations, licenses and training shall conduct this Work.

It shall be the responsibility of CONTRACTOR to properly dispose of any and all waste products, including but not limited to, paint chips, any collected residue, or any other visual

material that may occur from the prepping of any painted surface. It will be the responsibility of CONTRACTOR to provide the proper disposal of any hazardous waste by a certified hazardous waste hauler. This company shall be registered with the Department of Transportation and shall be able to issue a current manifest number upon transporting any hazardous material from any school site within the DISTRICT.

CONTRACTOR shall provide DISTRICT with any sample results prior to beginning Work, during the Work, and after the completion of the Work. DISTRICT may request to examine, prior to the commencement of the Work, the lead training records of each employee of CONTRACTOR.

Any and all Work which may result in the disturbance of lead-containing building materials must be coordinated through DISTRICT. A signed copy of this Certification must be on file prior to beginning work on the Project, along with all current insurance certificates.

If CONTRACTOR is a corporation, this Certification shall be executed by either the chairman of the board, president, or vice president, and if a different individual, also by the secretary, chief financial officer, or assistant treasurer. See Section 4 of Information for Bidders for additional information.

In signing below, CONTRACTOR covenants that it has complied with the signature requirements described in Paragraph 7 of the Information for Bidders.

THE UNDERSIGNED HEREBY ACKNOWLEDGES, UNDER PENALTY OF PERJURY, THAT HE/SHE OR THEY HAS/HAVE RECEIVED NOTIFICATION OF POTENTIAL LEAD-BASED MATERIALS ON OWNER'S PROPERTY, AS WELL AS THE EXISTENCE OF APPLICABLE LAWS, RULES AND REGULATIONS GOVERNING WORK WITH, AND DISPOSAL OF, SUCH MATERIALS WITH WHICH IT MUST COMPLY. THE UNDERSIGNED ALSO WARRANTS THAT HE/SHE/THEY HAS/HAVE THE AUTHORITY TO SIGN ON BEHALF OF AND BIND CONTRACTOR. DISTRICT MAY REQUIRE PROOF OF SUCH AUTHORITY.
