

Husky Athletics

Athletic Director: Mr. Bill Gunn (951) 739-5692 wgunn@cnusd.k12.ca.us

- A **2.0 Grade Point Average (GPA)** at the end of eighth grade is required to participate in athletics
- **Physical Exams** All students must complete the appropriate paperwork and have a sports physical in order to try out for a sport. Our Athletic Clearance Packets have moved online. Visit the Online Clearance Form here: <https://permission.click/IGA7b/us/nEwZ>.
- **Summer Camps** for all sports will begin following the middle school's graduations and run approximately four weeks. Check the athletics web site for more information.

Most sports require a tryout and the coaches determine who makes the team. After tryouts, coaches will inform counselors of athletes to be placed in the athletic sport class. Not all sports have Athletic sport classes scheduled during the school day. Counselors will place students in the appropriate sports class if the student's schedule permits. Academic classes always have priority. Athletes should check with their teacher for any home or class work prior to missing class for a sports activity. Should a student quit a sport or become ineligible in the middle of a sport season, they must remain in the sports class until the end of the semester and participate in physical education activities. Being on a sports team is a major commitment of time and energy. Please be committed to the team and prepared to participate in practices. Also take into consideration the added travel time for away games.
